

Digital Crane Scale

Model : WS604

WS604 Digital Crane Scales are engineered for safe overhead / lifting weighing in industrial environments. Packed full with useful functionality most of which can be controlled remotely through the infrared remote control, thus reducing the need to lower the Crane Scale every time you need to press a button or change a function setting.

FEATURES

- super bright 38 mm high red LED display
- aluminium die-cast housing
- supplied with infra red remote controller (as pictured)
- spare rechargeable battery
- 360 degree swivel hook
- zero, hold functions
- low battery alarm
- overload alarm / record
- kg / lb weighing units
- sleep / idle mode
- auto off
