

# Wall Mounted Stadiometer

Model : WMHM230M

The WMHM230M mechanical stadiometer delivers medical-grade accuracy for professionals. It mounts to the wall with a heel plate to ensure proper patient positioning and uses a sliding arm and folding headpiece to determine exact measurements. The WMHM230M's arm can be lowered and the headpiece folded down when not in use.

## FEATURES

- wall-mounted
- retractable rod and folding headpiece minimize space use
- retracts down to 132 cm
- kick plate for stable mounting
- Australian Register of Therapeutic Goods (ARTG) # 329078
