

Baby Measuring Rod

Model : WMHM80M

The WMHM80M Portable Infant Height Meter easily measures the length of babies as they lie on their backs. It can be attached to a WMMS3500 or WMMS5900 baby scale to weigh and measure at the same time and is suitable for home and professional use.

FEATURES

- easy-to-use sliding calliper design
- can be used independently or fitted to the WMMS series baby scales
- Australian Register of Therapeutic Goods (ARTG) # 329078
