

Baby Scale Carry Bag

Model : WSBACKPACK

Free up your hands and transport your baby scale safely and with ease with a Wedderburn baby scale carry bag.

Designed for your comfort with a choice of padded straps and handles so you can carry it in a way that best suits you. Choose from carry handles, over the shoulder strap, or free up your hands and wear on your back with the backpack straps that distribute weight evenly across your back leaving your hands free.

The bag opens fully, allowing easy access and packing of the baby scale, and features a very convenient outside pouch that is large enough to carry a clipboard and other accessories.

Suits baby scale models: TIBD590
WMMS3500

Net Weight: 1.1 kg

Scale not included.
