

# Manual Tray Sealer

Model : WFT72B0A8

These machines are specifically tailored for the demands of ready-made meal preparation, catering kitchens, and meal wholesalers, offering a solution that prioritizes the preservation of food quality.

One standout feature is the seal assist handle mechanism. This mechanism ensures a consistent seal with minimal exertion, streamlining the packaging process and enhancing overall efficiency.

## FEATURES

- stainless steel construction
- OMRON temperature control system
- user-friendly and simple operation
- suits standard Gastronorm CPET tray 325 mm x 265 mm\*

## SPECIFICATIONS
