

Semi-Automatic Tray Sealer

Model : WFT117FCMS11

Introducing our new range of reliable and high productivity tray sealers. This commercial grade, semi-automatic tray sealer can extend product shelf life and improve presentation thanks to the modified atmosphere (MAP) and SKIN (optional feature) packaging functionality. They are perfect for meat, fish, poultry, vegetables, ready meals and more.

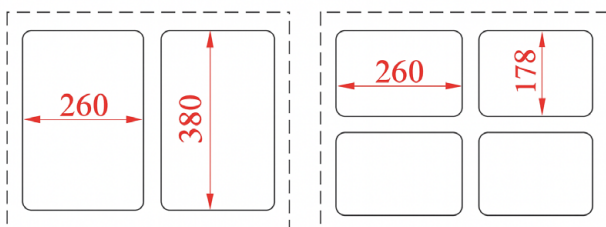

FEATURES

- easy to use touch screen control panel
- 304 stainless steel main construction
- up to 3 cycles per minute
- up to 12 trays per minute (four tray tool)
- Teflon coated surface with outline cutting
- automatic film recovery
- automatic drawer system
- MAP and seal-only mould as standard

OPTIONS

- skin tooling
- high oxygen pump for MAP gases with O₂ concentration greater than 21%
